with

Joan Clark

Dates: March 17th & 18th

Location: Los Angeles, California

Cost: \$225.00

This Week-end Gathering is about creating a sacred circle and working with Goddess Alchemy and Plant Spirit Medicine.

It is about remembering the power of creating with the Goddess and moving within to connect with your own alchemy, wisdom, magic and power.

We will explore our intuitive wisdom, work with energy exercises, learn sacred healing techniques, work with plant spirit medicine and create beautiful ritual and anointing blends.

It will be a week-end of dancing, singing, creating ceremony and allowing the energy and the spirit of the Goddess to come through us and empower our creativity and connection to the divine feminine essence.
